Toni,
I'll always remember you
for your doughnut-hole mouth.
You'll probably own a doughnut
factory if you grow up. It's
really been a pleasure knowing
you + I'll be sure + buy
some of your name-brand
doughnuts in the future.

Love,
Michelle Moss

Tori,
I had it in mind to write a 4-page note, but I can't do that to you. So- here goes with a two or three line note:
You're great! (Even if you did pick Denman over me?! Anger mad) and you're a good friend. That is, you're not just close (or aren't you? suggestion) but you're a good person.

That's all

But Rick got the jump on me. your a very beautiful girl and I was hoping one day we could get together, but its a long walk to Texas. Why is it every time I get to know a nice girl their moving away? I'm not that bad am I? you couldint of picked a nicer guy than rick. He's a good man. maybe you can pack Ricky along with you to Texas. Or probably ME I circled my pictures on the football team so you can remember me.

DEDICATION

Col. and Mrs. Blackwell are two of the most knowledgeable, involved and well informed teachers at Warner Robins High School. Mrs. Blackwell has been a member of the faculty since the school year of 1960-61. She has sponsored the Science Club, been selected Star Teacher several times, teaches the BSCS Program and is presently chairman of the Science Department. Col. Blackwell, retired from the Air Force, came to WRHS in 1961. He has sponsored the Science Club and has also been Star Teacher several times. For many years he handled the sale of senior rings, caps and gowns and invitations.

Because of their continuing involvement and support, the annual staff dedicates the 1974 Pioneer to Col. and Mrs. Lynn W. Blackwell.

Regents

The Warner Robins High School Regents Club is a Social Service Club. Each year the club sells calendars to help get money for our scholarship award given to some deserving Senior. Other activities are bake sales, car washes, the painting of signs for our school, slumber parties, initiation, formal teas. All the members work hard to represent and make it a fun and meaningful club.

The Big Red's Offensive team boasted an awesome attack, striking at will by the ground or the air. This offensive machine led the region in almost every statistic possible. An asset to its success were seven returning starters, with much needed experience in their tough schedule. There may never be another Demon offense to equal the versatility of the 73-74 squad.

The Big Red's Defensive team got off to a tremendous start holding its opponents to limited yardage. This defensive team returning only four starters from last year's team worked extremely hard in shaping a stunning defense. They shutout a powerful South Georgia opponent in what may be the best game the Big Red Machine played. These two squads put together the best season this town has ever witnessed.

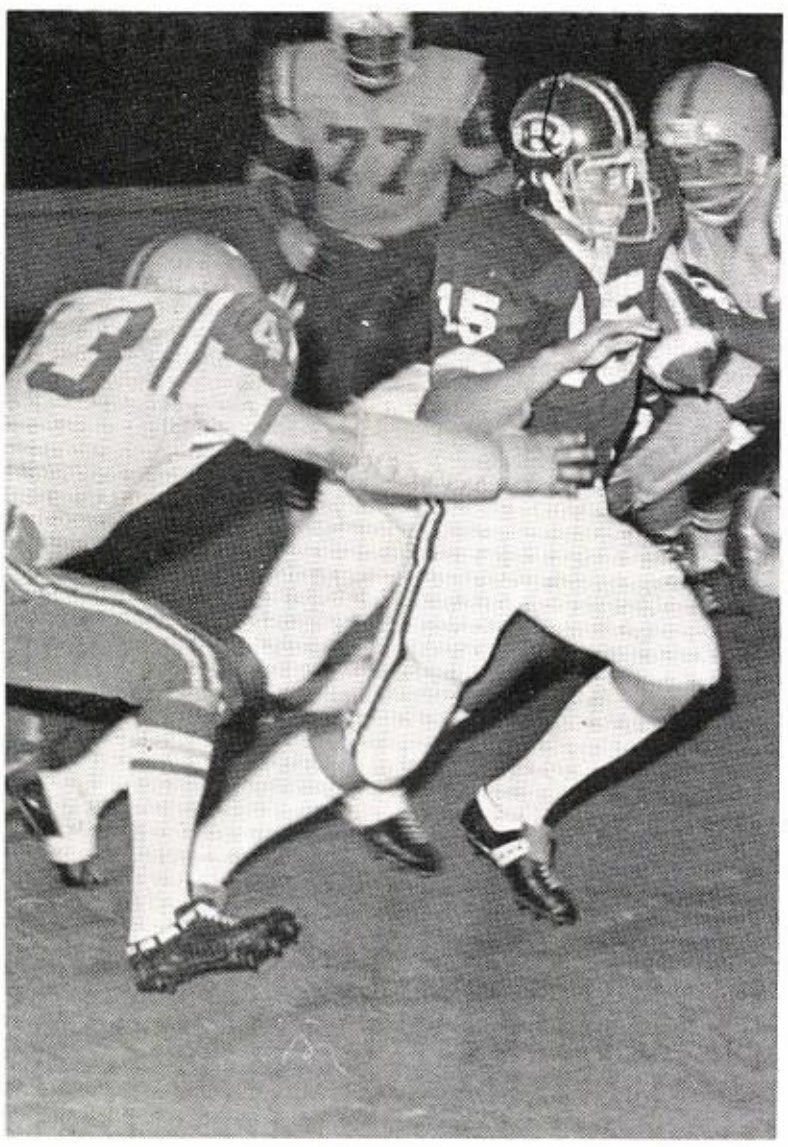
DEMONS 42 SPENCER 0



In the Demons' season opener the Big Red released an awesome offense which scored at will and a defense that held the Green Wave scoreless. It was then obvious the Big Red Machine was off and rolling.

In the fifth game of the year the Demons were facing cross-town rival Northside for the City Championship. Coming into the big game the Demons were undefeated with the Eagles suffering one loss to the Columbus Blue Devils. With only seconds left in the game, it appeared the two teams would share the city crown. But with a strong offensive effort the Big Red moved the ball down the field in field goal range. With 6 seconds left, Alvin Hutchinson kicked a 3-pointer of 32 yards to defeat Northside 17-14.

In the annual City Championship game the Demons were stunned by an amazing first play which put the Big Red behind 7-0. The cross-town rival scored once again and the Big Red then came alive. The Demons put together a drive right before the half and scored leaving the score 14-7 at the intermission. One asset to a great football team is the ability to come from behind. The Big Red had this ability and proved it. With a little over a minute, the score tied at 14 apiece, it looked as though the City Championship would go to both schools. On its own 29-yard line the Big Red Machine moved the ball by air to the Northside 23-yard line. The field goal unit came on and Alvin Hutchinson booted a 33-yard field goal for the winning points.

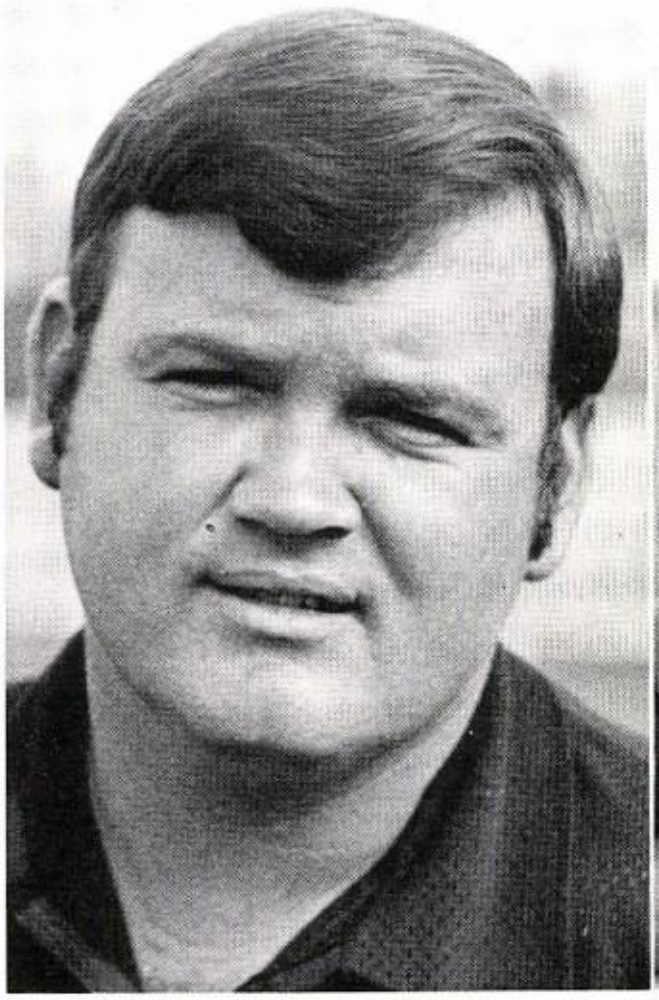
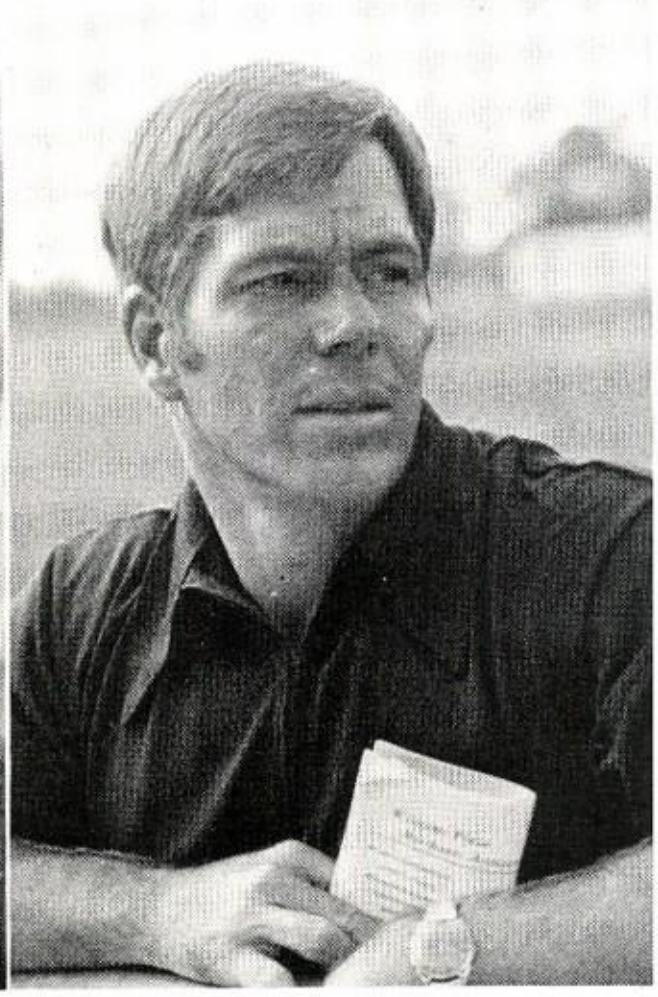
In a rainsoaked field the Big Red Machine watched a life long dream of a state championship go down the drain. The Central Chargers took a 6-0 lead in the opening stanza, but it didn't last long. The Big Red drove the ball using a balanced attack and finally scoring on an 8-yard pass play. After going into the dressing room at half time with a 7-6 lead, the Big Red Machine worked hard for a victory which never came. The Demons lost the heartbreaker 14-13, in a state playoff game.

1974-1974 BIG RED COACHING STAFF



Robert Davis



Stan Gann

Our football coaching staff went through some unexpected changes this year, resulting in Coach Robert Davis moving to the head position. Coach Stan Gann returned and did an outstanding job with the offensive backs, Coach Ernest Davis handled the J.V. Football and Basketball teams again, and Coach Sid White worked with another excellent Girls Basketball team. Some new additions to the 73-74 Coaching Staff were Coach Richard Fendley who headed the defensive squad, Coach Lynn Hunnicutt who lead the offensive squad, Coach Don Carnley who supervised the Boys Varsity Basketball team, and Coach Douglas Antley who headed the Wrestling team and the J.V Football team.

The 1973-1974 Warner Robins Basketball Team ended a mediocre season finishing with 5 wins and 16 losses. The Demons were haunted by several disadvantages, one of them being a definite height factor and another being a lack of experience with a limited number of starters returning. With the help of student support, and a returning experienced coach the basketball program at Warner Robins looks brighter.

As the season rolled on it was apparent that Warner Robins possessed another state-bound girls' basketball team. Under the coaching of Sid White the Demonettes finishing a 20-0 perfect season, participated in the State AAA playoffs, meeting Josey High School. The Demonettes quickly defeated Josey 60-49 in the first round but were defeated by Waycross 48-43 to diminish their chances of a state title.

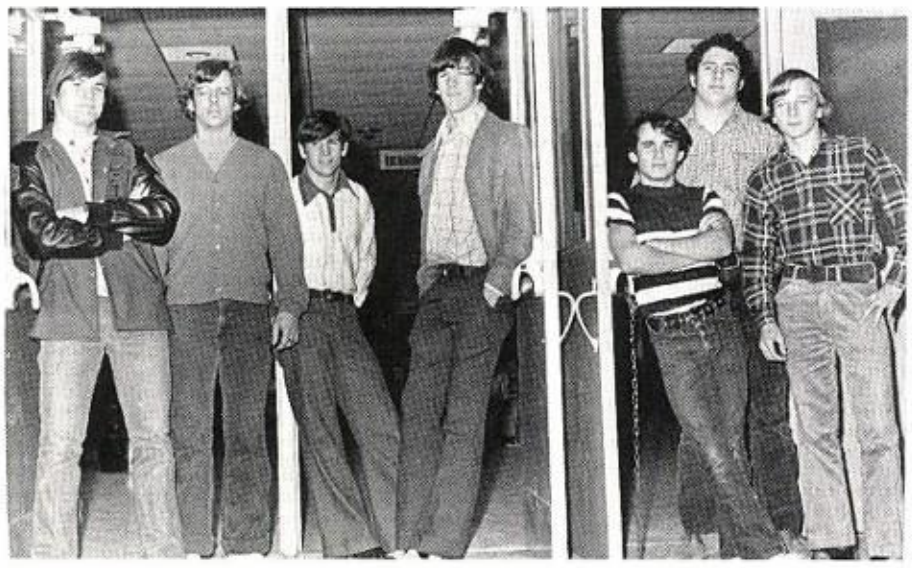
1973-1974 VARSITY WRESTLERS



The 73-74 Demon wrestlers were another Demon team posting unbeaten regular seasons with a 6-0 mark. These wrestlers did a great job with Coach Doug Antley heading this year's squad. The other wrestlers attending the state matches were Mark Conley, Mike Olson, Bill Glover, Rusty Lowery, Mike Logan, and Greg Burris.

Toni,
What would this year have been if I hadn't of met you. Tragedy. Boredom, and you changed it for me. That fisst quarter sure was a strange one. Sometimes we treated each other like dirt, but most of the time it was with love. At least my side was. Stay crazy because I love you that way. In fact, I love you anyway. I hope I see a lot of you next year.

Love always,
James Bass

Yori,
You too are one
of my closest and
dearest friends. I'm
glad we've met this summer
and I've met a lot of nice friends
through you. I'm very grateful
that I've met such kind
happiness wherever you go.
Know you will, because you're
just the kind of person that
everyone likes. Good Luck!

NANCY HAVRILLA
1973 HOMECOMING QUEEN

One of the biggest and busiest times this year was Homecoming 1973. The work on the floats and cars started weeks earlier and ended feverishly the night before the parade. The clubs' and organizations' efforts were displayed in the traditional Homecoming Parade, with ROTC placing first for their float.

The game in which the Demons defeated Clarke-Central of Athens by a score of 42-13, was highlighted by the crowning of Nancy Havrilla as the 1974 Homecoming Queen during half-time ceremonies.

Through words and pictures used to capture moods, the ideas of the staff for this years annual gradually came into being. By striving to give insight into all the memories we have shared together, the staffs efforts hopefully have made the Pioneer a mirror of feelings, thoughts and experiences that were ours in 1973-1974.

I thank all on the staff for their work, my friends and family for their encouragement, patience and helpfulness, and the administration and faculty for their cooperation and understanding.

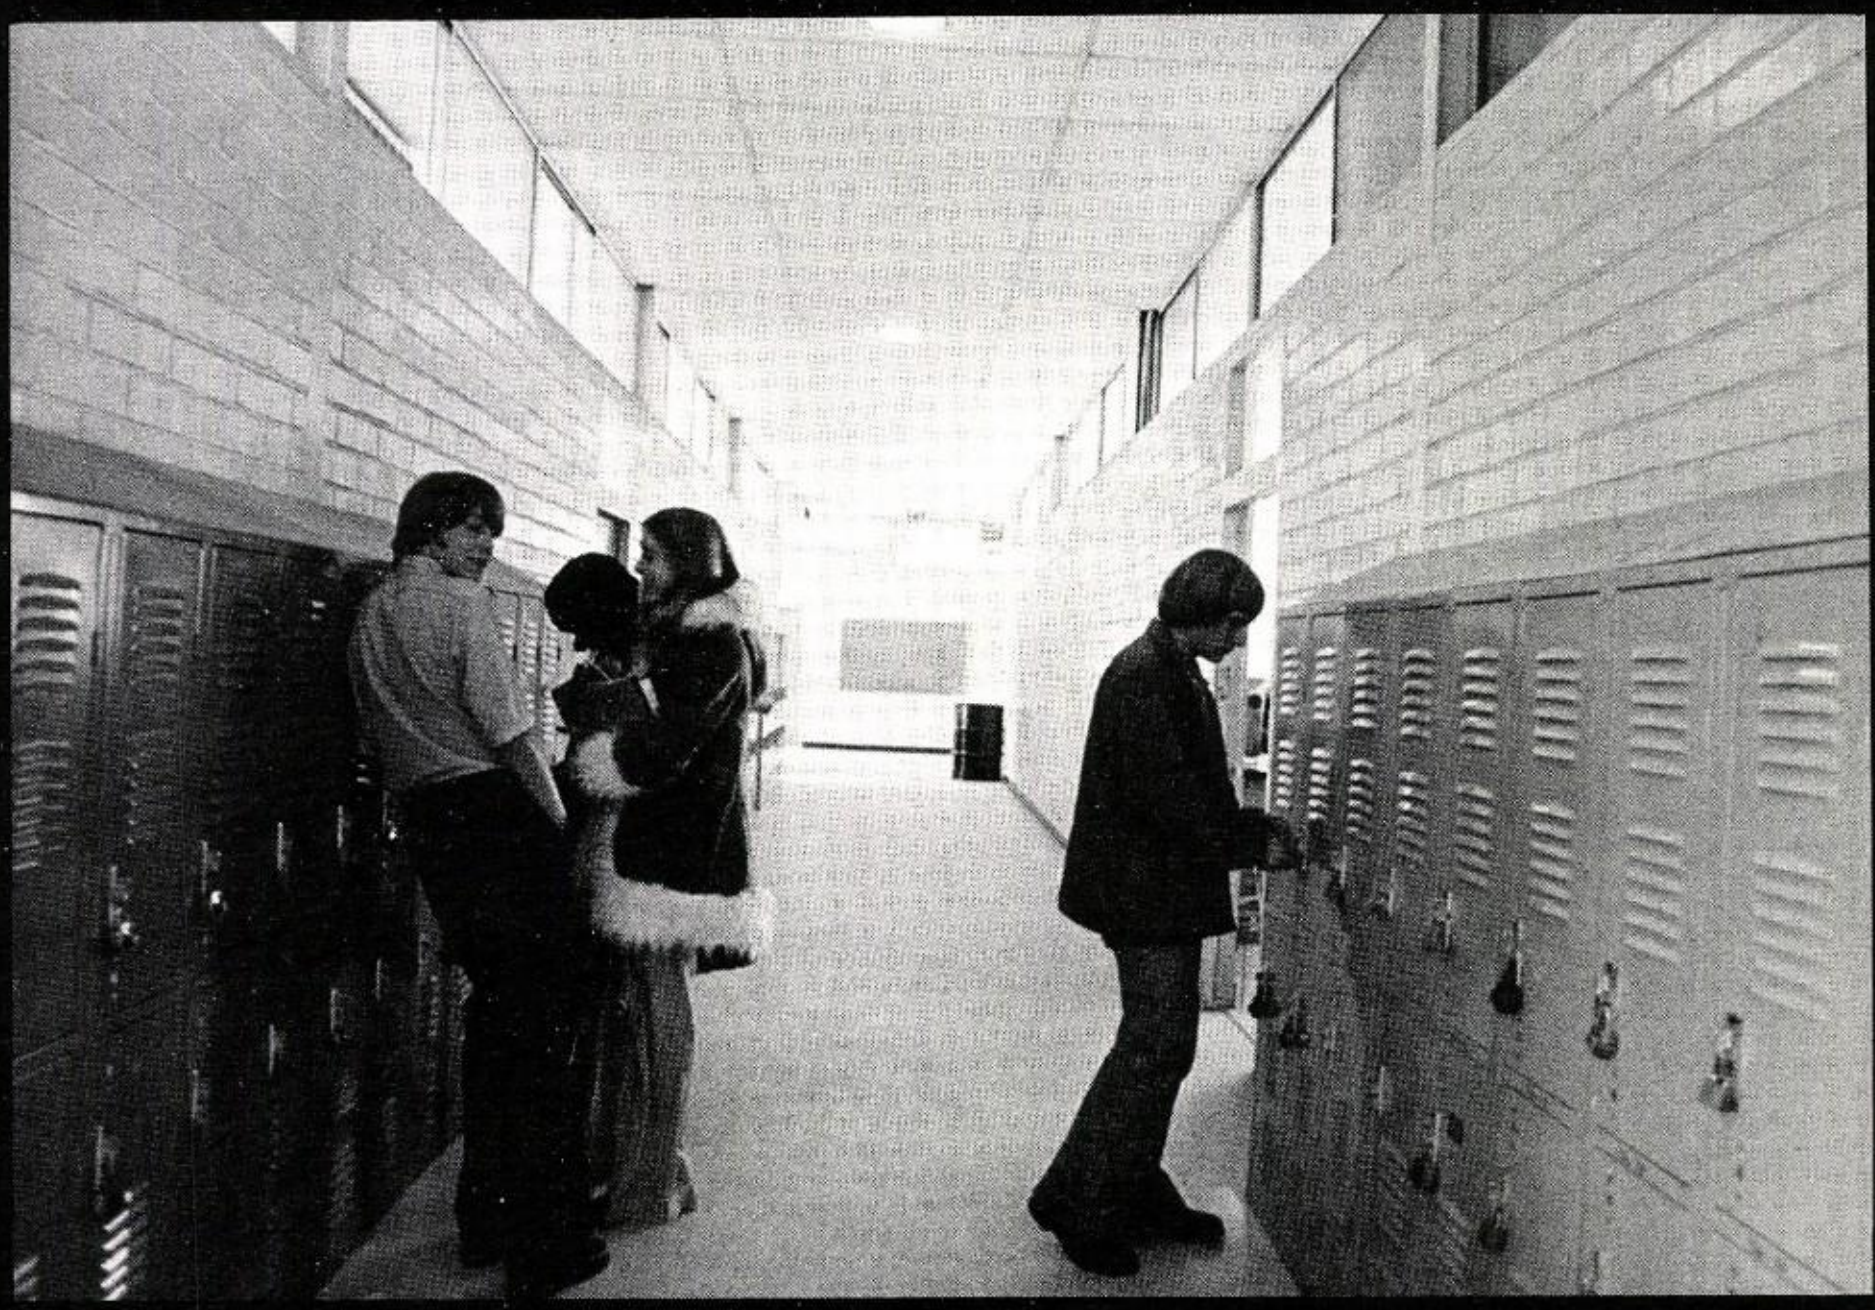
SPIRIT OF 76

We Love and Support PRESIDENT NIXON
WELCOME TO DEMON COUNTRY

President Nixon came to Middle Georgia as part of his "Operation Candor" campaign. Georgia House failed to approve Equal Rights Amendment, which had already been ratified by 32 other states. The ERA was the subject of many heated classroom discussions. Senior Class President attempted to change dress codes and also worked for 4-period day for Seniors. Comet Kohoutek didn't live up to its advance billing of being spectacular and showy but did cause a flurry of excitement. Countdown of homeruns by Henry Aaron began as he nears breaking Babe Ruth's record of 714. With inflation steadily increasing and food costs rising weekly, meat extenders and substitutes hit the supermarkets. Spiro Agnew resigned as Vice-President of the United States as the result of charges brought against him for influence peddling. UFO's were sighted over Middle Georgia. "May I have your attention please; may I please have your attention. There is a bomb in the building and we must evacuate immediately." Half-eaten lunches on the tables and unfinished work on desks plus the foregoing of breaks were caused by a rash of empty bomb threats in January. In late 1973 the nation suddenly found its worries of a meat shortage replaced with the greater worries of a fuel shortage. President Nixon asked that 55 mph speed limits be set to conserve gasoline and that thermostats in houses and businesses be lowered to 68° . Some gas stations were forced to close because of a lack of gas while others appeared unaffected. Daylight Savings Time was instituted by Congress January 6 in an effort to save on energy. It was a new experience going to school in the dark and watching the sun rise in homeroom. A new wing was added to Houston County Hospital to expand the facilities. Georgia traffic laws were changed to prohibit right turns on red except where signs allow it. Henry Kissinger accepted the Nobel Peace Prize for contributing to world peace through his involvement in the peace settlement in Southeast Asia. He was called again into the role of peacemaker when the Middle East situation became critical. Some popular movies were "Walking Tall", "American Graffiti", and "The Exorcist". Gerald Ford became the new Vice-President of the United States to replace Spiro Agnew. As the price of gas went up small cars became more in demand and bicycling caught on quickly. A familiar sight was ten speeds wheeling down South Davis and finally chained at the front gate. President Nixon faced rumors that he would resign or be impeached. Demons went 10-0. Seniors awaited graduation with dread or eagerness or even both.



I have pictures to remind me; they're all that's left.

Dear Boni, reserved

you don't know how much I am going to miss you when you leave. I know I shouldn't even be mentioning it because it probably upsets you out it upsets me too. I guess I should talk about all the fun times we have had together. Boy, if it hadn't been for you and your helpful advice I don't know where I'd be today. There were some times when I was really desperate and guess who came to my rescue. You are probably the best friend I have ever had. That's no joke. Nobody has ever devoted so much as what you have. You don't know how much you mean to me. I wish you all the luck possible in Texas, in the future, for the rest of your life. Nobody could ever deserve it more. I really wish I could be like you. I might have more friends if I was but be it good or bad, I'm me and I can't change it. Its about time I accept and face the facts. You're such a cute person that I know you will never have trouble getting a guy. Boy, when you got Rick, it looks like you hit the jack-pot. You two are so perfect together. Well Boni, I guess I could go on and on but I have to stop somewhere. Please remember me. I can never forget your always-cheerful-attitude & smiling face. You'll always hold a place in my heart. Someday, we'll meet again!

Lots of Love and Friends Always,
Sharon Fincher "76"
